

The background of the entire image is a warm, yellow-toned photograph. At the top, a portion of a light brown woven straw hat is visible, featuring two brown leather straps with white stitching. Below the hat, a clear glass filled with water and a slice of lemon is partially visible. The bottom of the image shows several bright orange fruits, including a whole orange and a sliced one, resting on a yellow surface. The overall aesthetic is bright, fresh, and summery.
